Target Customers

HP Color LaserJet Pro 4202 & 4302 series are ideal for **small to medium-sized businesses** that want fast, high-quality printing with simple set up and management including security.
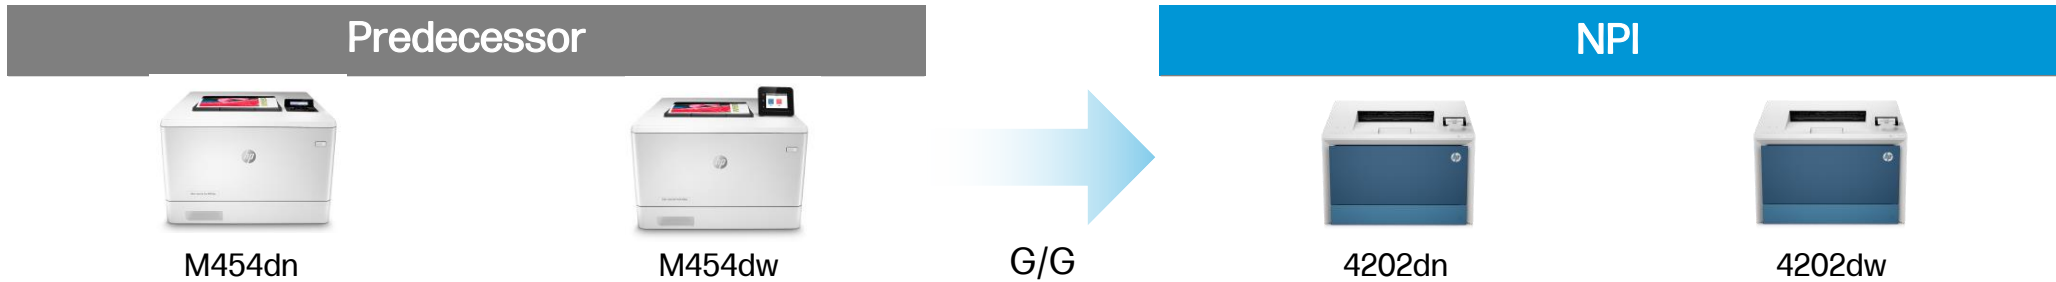

Target Scenarios

❖ An IT manager or an office manager wearing many different hats, seeking to print colour in the office for high-quality, high-volume marketing collaterals and maximizing internal document impact.

❖ Small businesses that need a shared colour printer for a small work team in a local or remote office.

❖ Businesses that need a dependable colour printer with strong security features that requires very little resources to setup and maintain while also being easy to use.

❖ For small and medium businesses who want to print high volume, stunning colour, and show off their business.

Why Buy?

❖ **Office Productivity** – stunning print quality with a 7.5% increase in printable colours and HP Premium Print mode. Fast speeds up to 35 ppm, Bluetooth capabilities, smaller footprint, lighter weight and modern design.

❖ **Easy Management –** Print, scan and get time shaving shortcuts with the HP Smart App, HP Web Jetadmin easily adds and updates devices, solutions, and policies.

❖ **Effortless Set Up –** streamlined set up and configuration, efficient dependable support.

❖ **Security –** peace of mind with HP Wolf Pro Security, firmware updates with code validation, unique device password.

❖ **Sustainability -** Print sustainably with 27% less energy use, 71% reduced plastic use in packaging and 33% less plastic used in cartridge body.
